INVITATION

AMB 2018

September 18th - 22nd

Visit us at the **AMB** in **Hall 4 - Booth B31** and discover innovative Industry 4.0 solutions and services for the connected and digital production of tomorrow.

Premieres of our machines live in operation, awarded software solutions, various processing technologies for an efficient production and an unique variety of tailored accessories in the new iXshop are just a view of the many highlights on our fair booth.

You can find us also at the special show for young people in the Atrium - AT100 and at Paul Horn GmbH in Hall 1 - Stand J18.

We look forward to seeing you!

Booth evening

We cordially invite you on Wednesday, **September 19th, 2018** starting at 6 pm to a pleasant and relaxing completion of the trade fair day at our booth.

Landesmesse Stuttgart

Messeplazza 1
70629 Stuttgart // Germany
09° 11' 24'' E // 48° 41' 45'' N

Opening Hours:

Tue. - Fri.: 9 am - 6 pm
Sat.: 9 am - 4 pm

HIGHLIGHTS

***x*world**

***x*4.0** - IoT platform

***x*shop** - Equipment portal

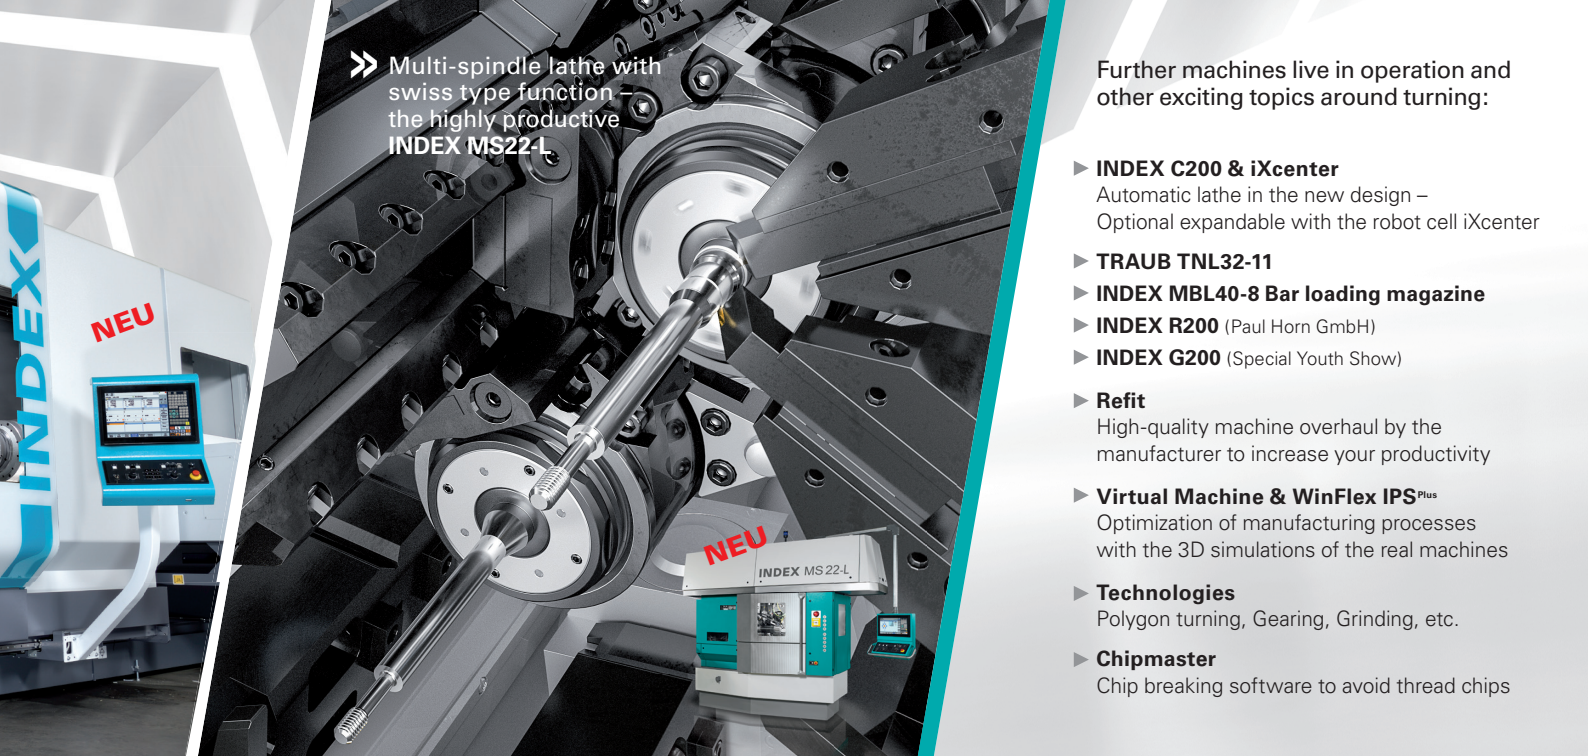

***x*services** - Service portal

***x*plore** - Experience INDEX

INDEX G420

» Experience the premiere of the **INDEX G420** –
Complete machining in new dimensions

» Multi-spindle lathe with swiss type function – the highly productive **INDEX MS22-L**.

Further machines live in operation and other exciting topics around turning:

- ▶ **INDEX C200 & iXcenter**
Automatic lathe in the new design – Optional expandable with the robot cell iXcenter
- ▶ **TRAUB TNL32-11**
- ▶ **INDEX MBL40-8 Bar loading magazine**
- ▶ **INDEX R200** (Paul Horn GmbH)
- ▶ **INDEX G200** (Special Youth Show)

- ▶ **Refit**
High-quality machine overhaul by the manufacturer to increase your productivity

- ▶ **Virtual Machine & WinFlex IPS^{Plus}**
Optimization of manufacturing processes with the 3D simulations of the real machines

- ▶ **Technologies**
Polygon turning, Gearing, Grinding, etc.

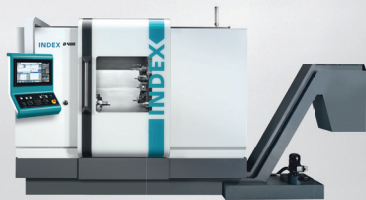

- ▶ **Chipmaster**
Chip breaking software to avoid thread chips

Sliding headstock lathe **TRAUB TNL20** in 3 equipment options, optional with integrated robot cell **iXcenter**

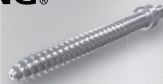

INDEX MS40-8 – The most economic answer to various tasks of production

The new universal lathe **INDEX B400** for powerful machining of workpieces at the highest level

 *High-Speed*
WHIRLING®

New efficient manufacturing process for the production of versatile threads

LIVE IN ACTION

Experience the diversity of our products
